The appointing authority for these staff is the Vice Chancellor. As per Gol rules, the Appointing Authority is the Disciplinary Authority. Hence, it is proposed to designate the appointing authorities as Disciplinary Authority for all the posts specified therein. [Action: Registrar]

24.5.2 Approval of the M.Tech, PhD and MS (By Res) results of the Academic Year 2019 -21

Approval of the results of M.Tech 2019-21 batch, PhD and MS (By Research) Degrees by BoM was solicited.

Discussion:

- a. Prof. Prabhat Ranjan, VC, DY Patil University suggested that as per All India Council for Technical Education (AICTE) all technical institutions approved by it should upload academic records on Digilocker, under the National Academic Depository (NAD). The initiative is aimed at preventing educational institutions from withholding certificates and academic records.
- b. Prof R K Shevgaonkar suggested that the results were reported in CGPA should be relative and not absolute though there are less number of students in the programme. Further, Prof. RKS also suggested that only relative grading, allows teachers to interpret the results of an assessment and determine grades based on student performance. DIAT should study the feasibility of implementing the relative grading option.

[Action: Dean (Acad) & CoE]

Decision:

The BoM has accorded approval of the M.Tech, PhD and MS (By Res) results of the Academic Year 2019 -21 presented by the CoE. The list of degrees awarded to students is attached as **Anneuxre-24.5.2**

23.5.3 Approval for establishment of three schools

24.5.4 Sanction of expenditure for purchase of scientific equipment:

As per the delegated financial powers recommended in 21st BOM dated 18/09/2020 and approved by the MOD vide their letter no: DHRD/70500/DIAT/DU/C/M/01, dated 07/10/2020, Vice Chancellor has power to sanction the expenditure for the purchase of scientific equipment up to Rs. 2.5 Crores on STE basis and Rs. 5 Crores for the purchase on PAC basis.

Following are the scientific equipment /consumables proposed to be purchased for the school of quantum technology on single tender basis.

Sr. No	Name of equipment/facility	Estimated Cost	Mode of procurement
1	Opto-mechanical components	4 Crore	Open tender

Since the above procurement at an estimated cost of Rs. 4 Crores initiated on open tender has resulted into a single tender, which is beyond the powers of VC. The proposal is put up for approval of BOM

Discussion:

- a) It was mentioned that the indent was initiated on open tender, subsequently resulted in Single Tender.
- b) Dr. Kanaka Raju Pandiri from School of Quantum Technology has emphasized the importance of this optical components/sub-systems in realizing the quantum communication and quantum key distribution research program at DIAT.
- c) The Chairman has requested BOM to authorize the Vice Chancellor to procure the aforesaid scientific equipment on single tender basis for cost estimates of Rs. 4 Crores following PM-2016 procedure.
- d) Prof. R K Shevgaonkar suggested to follow DRDO/MoD delegation of financial powers pattern.

Decision:

After detailed discussions, the BOM decided to authorize the Vice Chancellor to procure the aforesaid scientific equipment on single tender basis subject to following the guidelines as laid down in DRDO PM 2016.

23.6 Any other point with the permission of the Chair

Discussion:

In response to a Query from DRDO HQrs for the need for additional funds, Finance Officer made a presentation.

It was mentioned that need for additional funds from original projection was to meet the expenditure of procurement of instruments for three new schools that was formed.

BoM was requested to recommend for the additional funds so that case can be moved on file to DRDO HQ.

Decision:

BoM recommended / ratified the proposal of DIAT to seek additional funds from DRDO HQ.
