ITEM NO. 29.5: AGENDA FOR DISCUSSION:**Item No.29.5.1: Recruitment of 02 Nos Deputy Registrar on Direct Recruitment.**

The Rules and Regulations Governing Service Conditions 2009 of DIAT Statutes provides for 02 posts of Deputy Registrar in Pay Level 12 with method of recruitment: to be filled by promotion, failing which by Deputation. However, the first both the appointees were through Direct Recruitment. Out of them one tendered resignation in the year 2020 and the position has continued to be vacant in absence of non-availability of any candidate in the feeder grade. It may be noted that at present none of the internal candidates are presently eligible for promotion and shall not become eligible for next five years.

The other incumbent has proceeded on deputation as Registrar for a period of 5 yrs w.e.f 16 June, 2022 and thus has lien against the position making it unavailable for recruitment.

Therefore, presently the institute doesn't have any regular Deputy Registrar. The job profile of Deputy Registrar is that of full time a senior level supervisory officer and in charge of the sections like administration, academic, MMG. Currently, charge of Academic Section has been assigned to an Associate Professor, in addition to his existing teaching and research activities which is not desirable. Further, the administration section is being looked after by Shri S Prakash, Dy. Registrar on contract. Thus, there is acute shortage of officers in the Institute administration.

Further, the Rules and Regulations Governing Service Conditions 2009 of DIAT Statutes, there is provision for 01 post of Controller of Examinations in the Pay Level 14, to be appointed by Direct Recruitment failing which by Deputation. The post has remained vacant since the inception of DIAT (Deemed to be University), due to small size of the Institute.

The Secretary, BoM presented the item before the Board and briefed the proposal.

The BoM noted that the shortage of officers at the institute. After detailed discussion the BoM **RESOLVED** to recommend the following proposal to DRDO HQ for approval of the Component Authority.

- a) The method of recruitment for the post of Deputy Registrar to be modified to Direct Recruitment / Promotion, failing which by Deputation.
- b) Utilization of the post of Controller of Examination to recruit a Deputy Registrar in the pay level 12.

[Action: Registrar]

Item No.29.5.2: Delegation of Financial Powers for execution of civil related works.

The Vice Chancellor DIAT exercises financial powers as per the Financial Regulations which was approved by the Competent Authority vide MoD letter No DHRD/70500/DIAT/DU/FR/ C/M/01/248/D(R&D) dtd. 25/09/2007. Subsequently, the aforesaid financial powers were revised in the year 2014 as per the recommendations of BoM and GC.

Aforesaid financial powers doesn't include any provision for execution of civil works. In the absence of any financial powers for works, DIAT is facing serious difficulties to maintain and upkeep the academic facilities including residential accommodation which is of 1961 vintage.

Need for minor repairs are of frequent occurrence and halts important academic and research work. The staff accommodation is also forced to be unoccupied due to minor but essential work, raising audit objections.

Therefore, it is proposed that VC may be given financial powers to execute minor civil works from the revenues internally generated so as to keep and maintain the academic facilities including residential complex. The works may be executed by utilizing service of institute staff for petty works and under provisions of GFR for other works.

The BoM considered the following delegation of financial powers to Vice Chancellor for civil works out of the revenue internally generated by DIAT:

Particulars	Item of expenditure	Financial Limit per case [Rs in lakh]
Minor and repair works	Minor additions / alternations / repairs / upgradation / maintenance [civil & electrical] in the existing premises etc.	5 lakh

The Secretary, BoM presented the item before the Board and briefed the proposal and it's emergent requirement for maintenance of academic and research activities.

The BoM appreciated need of the proposal. After detailed deliberations, the BoM **RESOLVED** to recommend the proposal to DRDO HQ for approval of the Component Authority for delegation of financial powers to Vice Chancellor DIAT for civil works out of the revenue internally generated by DIAT.

[Action: Registrar]

Item No.29.5.3: Ratification of correction in typographical error in para 5.15 of the RRs.

The Rules and Regulations Governing Service Conditions 2009 of DIAT Statutes there are 04 posts of Executive Assistant to be filled by promotion. The eligibility for promotion to the post of **Executive Assistant** is "Minimum 5 years service as **Senior Assistant**"

Further, the para 5.15 provides for 03 posts of Superintendent to be filled by promotion. The eligibility service condition for promotion to the post of **Superintendent** is "Minimum 5 years service as "**Senior Assistant**". This is the same eligibility condition as that of Executive Assistant which appears to be typographical error. The aforesaid error has been noticed recently. The correct eligibility service for promotion to the post of Superintendent should be "Minimum 5 years service as "**Executive Assistant**" instead of minimum 5 years service as Senior Assistant.

The feeder grade for promotion to the next higher grade in the admin cadre is summarized as under:

Sr. No.	Feeder Grade	Pay level	Promotion Grade	Pay Level
1	Assistant with min 05 yrs service	Level 4	Senior Assistant	Level 5
2	Senior Assistant with min 05 yrs service	Level 5	Executive Assistant	Level 6
3	Executive Assistant with min 05 yrs service	Level 6	Superintendent	Level 7
4	Superintendent with min 05 yrs service	Level 7	Assistant Registrar	Level 10
5	Assistant Registrar with min 05 yrs service	Level 10	Dy. Registrar	Level 12

From the above table it may be seen that the feeder grade for promotion to Executive Assistant is Senior Assistant. Thus, Senior Assistant cannot be the feeder grade for promotion to the grade of Superintendent.

Accordingly, amendment to para 5.15 (g.1) of DIAT Rules and Regulations Governing Service Conditions, 2009 has been notified vide DO Part-I No. 21/2022 dtd. 21/09/2022 and DRDO HQ was also intimated for necessary action.

The Secretary, BoM presented the item before the BoM and briefed the proposal. BoM noted the typographical error in para 5.15 of the RRs.

The Board **RESOLVED** to approve the amendment to para 5.15 (g.1) of DIAT Rules and Regulations Governing Service Conditions, 2009 as has been notified vide DO Part-I No. 21/2022 dtd. 21/09/2022.
